DETAILED ACTION

This is in response to amendment filed on 9/21/05 in which claims 1-2, 4-7 are pending. The applicant's amendments have been fully considered therefore this case is in condition for allowance. In addition the pending claims have been renumbered as 1-6 respectively.

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: the prior arts of record fail to anticipate or render obvious the following recited features: an interference component estimation unit for estimating first and second interference components at said first and second timings inflicted by another path upon a prescribed path of interest among multiple paths and an interference component elimination unit for eliminating the first and second interference components respectively from said first and second despread signal as recited in claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
